January—April 2005

The Bullsheet

From the Vice President,

Welcome to the start of the 2005 shooting year. Shooter of the year started all over with the State Vegas in Casper. The State Indoor was held in Gillette along with Northwest Indoor Sectionals. There was a great turn out at both of these shoots. Congratulations to all the winners.

The State banquet was held on Saturday night following the last lines shot that day where awards were presented for the 2004 shooting year. Shooter of the year points were totaled and the winners were presented with a trophy and a check for \$ 200.00, congratulations go to Marl Preston and Carla Bennet. Youth shooter of the year with a trophy and \$ 200.00 savings bond went to Robert Dileo, Jr.

Remember to be eligible for a shot at this you must attend at least 3 of 5 State shoots.

Also receiving the most prestigious award that the WSAA presents, Archer Of The Year, Lynell VanOrden and Andy Turnquist you are both very deserving of this title, congratulations.

I hope that everybody had fun hunting even if you were not successful in harvesting your game I hope that you took home many good memories. For any one successful, you are eligible for big game patches. With the documented harvesting of at least 10 big game animals the state has started a recognition program put together and run by Bill Hieneke. The hunter receives a very nice plaque to put on the wall and their name goes on a brass nameplate that is put on a permanent board that the state keeps updated recognizing all who have succeeded at this goal. For more information, contact Bill at 682-5705 or webley@vcn.com.

There are a lot of clubs out there doing a great job of hosting some fantastic shoots around the state. I encourage you to get out there and support them. It's a great chance to meet new friends and spend the day enjoying the great sport of archery.

From the Secretary,

It has been some time since the last newsletter, however I now have enough information to put a Newsletter together and make it worth your while. I have enclosed the results of State Vegas, State Indoor, and other individual tournaments. I have also been given suggestions for some positive additions. State Indoor was a good time for all. Thanks to the Pronghorn Archery Club and Rocky Mountain Sports for having all of us shoot in their great range. There were shoots that competed between Indoor and Northwest Sectionals. At the banquet many awards were given out, including certificates and patches for all of 2004 Championship winners.

Congratulations to Andy Turnquist and Lynell Van Orden for being nominated for Archer of the Year, and Ben Werner for being nominated for Youth Archer of the Year. This was the first year to have the Shooter of the Year. It struck a lot of interest to many of the shooters and I believe our first year was a success.
