Upcoming WSAA Shoots

- **State 3d** - 2-day shoot. Newcastle - August 13 -14

New Business

1. **WSAA State Director** - We had one person put in for this position. James Metzner. James is the new State Director.
2. **Shooter Shirts** - We do have a few shooter shirts left. They are \$70 each.
3. **EID Number for Organization** - Our number has expired and it will be easier to get donations if we are listed as a non-profit. Nick will start working on that.
4. **Senior Olympics** - Will give us \$100 for use of the targets. Only used 3 target butts.

5. **Curt Gowdy Field Course** - State parks would like to get an MOA with CFA and Laramie club to help maintain the course. Mike has been working with Greg to get the MOA updated.
6. **Starting back up the shooter of the year** - Still working out the details and need someone to head it up. Thoughts as of this meeting - To be eligible must shoot 4 of the 5 or a certain percentage of the shoots that year. Need to come up with a point system that is simple. Example - Show up and turn in a score sheet to get 5 points. Place in the tournament and get 5 points for 1st, 4 for 2nd, 3 or 3rd, 2 for 4th, and 1 for 5th place) Still need to work out the details. Would like to keep it to State Shoots.

CFA - Will set schedules in October

LAA - Will set their schedule the first week of October. Indoor Triple Crown - Feb. First weekend of March Blueface

To due Tasks:
